Subject: Comments

Good Morning:

What is the proper method to provide comments regarding an application filed August 12, 2008 by the Arizona Water Company request for a 19.9 % rate hike?

I would like to oppose that hike. My average water bill for a family of four with two horses is \$165.00. That increase is well beyond reasonable. This does not include any sewer or trash.

If this will suffice, thank you for allowing me to make comment. If there is another route please inform me at your convenience.
